THE CALL FOR CHANGE

For decades, the Delhi & District Cricket Association (DDCA) has been plagued by systemic issues that have stifled its potential, alienated its members, and tarnished its legacy. Corruption, mismanagement, exclusion of members, substandard facilities, and a lack of focus on cricket development have rendered DDCA ineffective in serving its true purpose—promoting cricket and empowering its members.

The Kirti Azad - Sanjay Bhardwaj Panel stands as a beacon of hope and change, with a transformative vision to rebuild DDCA as a transparent, efficient, and member-centric institution. Drawing inspiration from prestigious clubs like Gymkhana Club, NSCI Club, and CCI Club, this panel is committed to creating a world-class DDCA that its members, players, and the cricketing fraternity can be proud of.

THE PRESENT CRISIS IN DDCA

Rampant Corruption:

Financial mismanagement and favouritism have plagued the association for years, eroding trust among members and stakeholders.

Exclusion of Members:

Members have been sidelined in decision-making processes, with little to no say in governance and policy-making.

Substandard Facilities:

Members and players face subpar infrastructure, poor maintenance, and a lack of basic amenities like washrooms, food courts, and recreational spaces.

VIP Culture in Ticket Distribution:

Ordinary members struggle to secure match passes, while influential individuals exploit their positions to dominate allocations.

Neglect of Grassroots Development:

Limited efforts have been made to nurture young cricketing talent or promote women's cricket, leading to stagnation in Delhi's cricketing ecosystem.

Lack of Member Engagement:

DDCA has failed to foster a sense of community through events or initiatives, leaving members feeling disconnected and undervalued.

OUR VISION: A TRANSFORMED DDCA

The Kirti Azad - Sanjay Bhardwaj Panel envisions a DDCA that is:

Member-Centric:

Where members are at the heart of all decisions and policies.

Transparent:

A governance model with zero tolerance for corruption.

World-Class:

With state-of-the-art facilities and programs for members and players.

Inclusive:

Promoting grassroots development, women's cricket, and community engagement.

Inspiring:

A model association that sets benchmarks for cricket governance nationwide.

MEET THE LEADERSHIP

The Kirti Azad - Sanjay Bhardwaj Panel comprises a diverse group of individuals with unmatched expertise, proven leadership, and a shared commitment to excellence.
